

A Mission Adventure to Israel!

June 3-14

We fly out of Orlando Sunday June 2, arrive in Tel Aviv Monday June 3, and go to work on Tuesday June 4. And we fly home Friday June 14.

In between, we work 6 or 7 days and visit Biblical sites for 3 or 4.

The work may include: serving on farms cultivating or harvesting crops, working in social service ministries feeding and serving people in need, serving victims of human trafficking or people still displaced from their homes because of the war.

We will NOT be anywhere close to Gaza or the Lebanese border. We will be well out of range of rockets and artillery.

Christ Anglican Church – the folks who hosted our study tour to Israel last summer – is arranging our project and will provide all ground transportation, lodging, breakfasts, and suppers, and they will NOT send us anywhere there is local tension or conflict.

Christ Church – and Christ himself! – will keep us out of harm's way.

And the people there will LOVE and APPRECIATE our being there – for at least 2 reasons:

1. The Israeli economy – like Orlando's – is based on tourism, and the war wiped that out as almost everyone cancelled their visits. So EVERYONE – Israeli AND Arab – will welcome our being there to spend some money.
2. We will be meeting needs that are currently going unmet, so the folks there – especially "the least of these" – will welcome our servanthood.

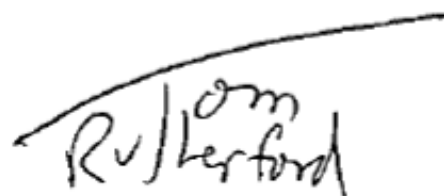

DETAILS OF THE PROJECT:

- ✧ Leaving Sunday June 2 after being prayed for and commissioned by the Messiah family.
- ✧ Working 6 or 7 days and visiting Biblical sites 3 or 4 days.
- ✧ Returning Friday June 14
- ✧ **The cost: around \$4,000:**

 - PLUS airfare, which is about \$1,500 (We're still chasing down the best deal).
 - PLUS paying for some lunches and any souvenirs
- ✧ **The Team will be only 8-12 people**, each of whom needs to be:
 - Over 18 years old.
 - Fit enough to work outside 5 or 6 hours and to walk up to a couple of miles a day.
 - Flexible enough to roll with changing plans and needs.
 - Willing to serve whomever and however is most helpful.
 - Loving enough to be a team player with our group.

If you're interested, find me! And let's talk. SOON, as we need to book flights A.S.A.P.

I'm stoked about going back to the Holy Land, but even MORE stoked to be able to serve and experience a different aspect of the people there, than I have as a mere tourist. I hope 7 to 11 of you will join me.

I love you all.
